

# Human-Wildlife Interactions

Volume 5, Number 1 Spring 2011

## Contents

### **In the News**

*Joe N. Caudell* ..... 3

### **Soap Box**

Use of illegal methods in Kenya's rural communities to combat  
wildlife damage: a case study of Laikipia *Nixon Sifuna*..... 5

### **Commentary**

Wildlife habituation: advances in understanding and management  
application *Valerius Geist* ..... 9

### **Deer Articles**

Cost-benefit analysis of managed shotgun hunts for suburban  
white-tailed deer *Ryan D. Hubbard and Clayton K. Nielsen*..... 13

Survival analysis and computer simulations of lethal and  
contraceptive management strategies for urban deer  
*Marrett D. Grund* ..... 23

Preference of white-tailed deer for corn hybrids and agricultural  
husbandry practices during the growing season *Joshua A. Delger,*  
*Kevin L. Monteith, Lowell E. Schmitz, and Jonathan A. Jenks*..... 32

Comparison of fencing designs for excluding deer from roadways  
*Daniel W. Stull, William D. Gulsby, James A. Martin, Gino J. D'Angelo,*  
*George R. Gallagher, David A. Osborn, Robert J. Warren, and Karl V. Miller* ..... 47

### **Other Articles**

Feed depredation by European starlings in a Kansas feedlot  
*Brandon E. Deppenbusch, James S. Drouillard, and Charles D. Lee* ..... 58

Livestock and domestic dog predations by wolves in Michigan  
*Justin L. Edge, Dean E. Beyer Jr., Jerrold L. Belant, Mark J. Jordan, and*  
*Brian J. Roell* ..... 66

Too many hogs? A review of methods to mitigate impact by wild  
boar and feral hogs *Giovanna Massei, Sugoto Roy, and*  
*Richard Bunting* ..... 79

A rat-resistant artificial nest box for cavity-nesting birds  
*William C. Pitt, Laura C. Driscoll, and Eric A. VanderWerf* ..... 100

*Continued inside back cover...*

# Contents

...Continued

Good fences make good neighbors: implementation of electric fencing for establishing effective livestock-protection dogs <i>Thomas M. Gehring, Kurt C. VerCauteren, and Anna C. Cellar</i> .....	106
Rock pigeon use of livestock facilities in northern Colorado: implications for improving farm bio-security <i>James C. Carlson, Larry Clark, Michael F. Antolin, and Mo D. Salman</i> .....	112
Public perceptions of bears and management interventions in Japan <i>Ryo Sakurai and Susan K. Jacobson</i> .....	123
Factors governing risk of cougar attacks on humans <i>David Mattson, Kenneth Logan, and Linda Sweanor</i> .....	135
Using stable isotope analysis to quantify anthropogenic foraging in black bears <i>Jerod A. Merkle, Jonathan J. Derbridge, and Paul R. Krausman</i> .....	159

## Human-Wildlife Interactions

### A Publication of the Jack H. Berryman Institute

**THE JACK H. BERRYMAN INSTITUTE** is an academic center of excellence dedicated to a mission of resolving human–wildlife conflicts through its research, education, and outreach programs. It is based at Utah State University and Mississippi State University. To learn more about the Jack H. Berryman Institute, visit its website at [www.BerrymanInstitute.org](http://www.BerrymanInstitute.org).

# Human-Wildlife Interactions

*Human-Wildlife Interactions* (ISSN 2155-3858) is a peer-reviewed journal published two times a year by the Jack H. Berryman Institute, Department of Wildland Resources, Utah State University, Logan, UT 84322-5230, USA. The journal has over 1,000 subscribers, and an open-access version is available at [www.BerrymanInstitute.org](http://www.BerrymanInstitute.org). Prior to 2010, the journal was named *Human-Wildlife Conflicts*.

©2011 Jack H. Berryman Institute. Material appearing in *Human-Wildlife Interactions* may not be reproduced in any form without the written consent of the publisher. The views expressed in *Human-Wildlife Interactions* are not necessarily those of the publisher.

**Editor:** Dr. Michael R. Conover

**Managing Editor:** Philip Parisi

## **Editorial Board (Associate Editors):**

Dr. Michael Chamberlain, Louisiana State University, Baton Rouge, Louisiana  
Dr. Travis L. DeVault, USDA/Wildlife Services' National Wildlife Research Center, Sandusky, Ohio  
Dr. Bruce Leopold, Mississippi State University, Starkville, Mississippi  
Dr. Giovanna Massei, Food and Environment Research Agency, Sand Hutton, York, UK  
Dr. Dave Morgan, Landcare Research, Lincoln, New Zealand  
Dr. Grant Singleton, International Rice Research Institute, Manila, Philippines  
Dr. Desley Whisson, Deakin University, Burwood, Victoria, Australia

**Journal Subject Area:** *Human-Wildlife Interactions* publishes manuscripts on all aspects of human-wildlife interactions, particularly research articles in the areas of wildlife management, wildlife ecology, management applications, economics, and human dimensions. Additionally, we encourage brief articles in the categories of letters to the editor, opinion pieces, point-counterpoint articles, policy issues, and notes on research and new techniques.

**How To Submit Manuscripts:** Contributors should send manuscripts and cover letter via e-mail to the editor at [hwi@aggiemail.usu.edu](mailto:hwi@aggiemail.usu.edu) or on computer disk by postal mail plus two hard copies to: Dr. Michael R. Conover, Editor, *Human-Wildlife Interactions*, Department of Wildland Resources, Box 5230, Utah State University, Logan, UT 84322-5230, USA. Detailed submission guidelines are available on the Berryman Institute website: [www.BerrymanInstitute.org](http://www.BerrymanInstitute.org) (click the button for HWI Journal).

**Who Should Submit Manuscripts:** Anyone is welcome to submit a manuscript, letter, and article to *Human-Wildlife Interactions*. Submissions are especially welcome from people working in operations or with practical field experience. If you have information, an opinion, or idea that should be shared with others in the field of wildlife management, please contact the editor at [hwi@aggiemail.usu.edu](mailto:hwi@aggiemail.usu.edu), and we will assist you in getting your information into print.

**Subscriptions:** \$20 per year, domestic; \$35 foreign. Back issues are \$10 each, domestic; \$15 each foreign. Make check payable to Berryman Institute and send to *Human-Wildlife Interactions*, Berryman Institute, Department of Wildland Resources, Box 5230, Utah State University, Logan, UT 84322-5230 USA. Foreign subscriptions USD by bank transfer only. Contact the managing editor for details at : [hwi@aggiemail.usu.edu](mailto:hwi@aggiemail.usu.edu).

**Advertisements:** *Human-Wildlife Interactions* accepts half- and full-page advertisements. For more information, contact the managing editor at [hwi@aggiemail.usu.edu](mailto:hwi@aggiemail.usu.edu).

Articles appearing in *Human-Wildlife Interactions* are included in the following research indexes: *Animal Behavior Abstracts*, *Aquatic Sciences and Fisheries Abstracts*, *Biological Abstracts*, *BIOSIS Previews*, *Ecology Abstracts*, *Web of Knowledge*, *Wildlife and Ecology Studies Worldwide*, *Wildlife Review Abstracts*, *Wilson's Biological and Agricultural Index*, and *Zoological Record*.
